The CO OSA, Ms. Vicki Dunstan, did a detailed briefing on what is currently happening in Australia and what we are up against with all the specifics - and that the solution is the Ideal Org strategy. She mentioned that Melbourne is testimony to turning the tide for a new era of PR for Scientology based on truth and results.

Case Supervisor Melbourne Day – Geoff Serra

The Case Supervisor from Melbourne Day gave an inspiring speech about what happens when the Ideal Org is created, from having the funds in hand, through all the establishment actions and the pride and team spirit which comes with that achievement. He gave some anecdotes of what has been happening in the org and encouraged the staff and public of Sydney to get there FAST.

The awards presentation was done by the Ideal Org project and included acknowledgements of those who went to their next status!
